

SERVICE CONTRACT

TAMPA TYPEWRITER CO.

UPDATED JUNE 2ND 2022
SUBJECT TO CHANGE

Jack Armstrong
Tampa Typewriter Co.

Estimates are provided with the best of my ability. Certain issues may not be immediately apparent, or may come up whilst I am servicing the machine. The client will be notified if an issue arises and then we can discuss how to handle it. **The cost of service may exceed the value of the typewriter.** I will repair the typewriter to the best of my ability, and will follow industry standards. There is **no guarantee of cosmetic, or mechanical perfection.**

Repair charges include:

1. Labor - \$50/hr

2. Replacement Parts - This includes new rubber (Platen, Feed Rollers, and Feet), and cost of purchasing original parts if needed

3. - Flat Rate Repair - See Pricing Sheet

Work will not begin until the client has consented to the quote price, and signed this agreement. There are no fees for choosing not to continue, but the deposit remains non-refundable. Final prices are to be paid upon completion of the work, the machine cannot be returned before payment. Signing this document holds you responsible for paying the agreed price. **The client is responsible for payment of partially completed work regardless of the reason.** Work can stop at any time. Parts availability is also limited, these are older machines. Sometimes a machine cannot be fixed because a part cannot be fabricated or found.

If you are shipping your typewriter in for service, I cannot be held responsible for the potential loss or damage of the typewriter and any of its parts which occur during shipping. **I reserve the right to refuse any work for any reason.**

SIGNING THIS AGREEMENT shows that you understand that you will be held responsible to both the prices on the price sheet, and the terms listed above.

AGREEMENT VOID IF ALL FORMS ARE NOT FILLED.
